Opening and Evaluation of Proposals

The Authority shall open the Bids on the date finalized during the Pre-Bid meeting. In case the Bid submission date is deferred due to declared holiday on the Bid submission date, the opening of Bids also will be deferred in line with the extended Bid submission date.

If any of the Bidders or all Bidders who submitted the tender are not present during the specified date and time of opening it will be deemed that such Bidder (s) is / are not interested to participate in the opening of the Bid/s and the Authority at its discretion will proceed further with opening of the Part I - conformity to eligibility criteria and the technical proposal in their absence.

The Authority will subsequently examine and evaluate the Bids in accordance with the provisions set out in this Section. The Authority may, at its discretion, waive any minor non-conformity or any minor irregularity in the offer(s). This waiver shall be binding on all the Bidders and the Authority reserves the right for such waivers.

To facilitate evaluation of Bids, the Authority may, at its sole discretion, seek clarifications in writing from any Bidder regarding its Bid. The Bidder has to respond to the Authority and submit the relevant proof /supporting documents required against clarifications, if applicable. The request for such clarifications and the Bidders response will necessarily be in writing and it should be submitted within the time frame stipulated by the Authority.

Even if only a single Bid is received (and technically qualified) or a single Bid, amongst several, is technically qualified, the Authority retains the right to open the Financial Proposal of such Bid and award the Project.

The evaluation will be done in 2 Steps as explained below:

In Step-I, the technical Proposal shall be opened and examined. All Bidders passing in this Step-I of the evaluation will be considered responsive enough to be considered for the next step.

In Step-II of evaluation, the Financial Proposals in Envelope 2 of only those Bidders who have passed Step-I shall be opened by MCK in presence of the nominees of the bidders, who choose to attend the same. Bidders shall be ranked L1, L2, L3 etc. in increasing order of their Financial Proposals. The selection will be made on the basis of the Minimum Concession Period (MCP) (L1). The Bidder quoting the minimum MCP shall be invited to sign the Concession Agreement.

Financial Proposals of Bidders who do not qualify the Step-I of evaluation shall not be opened and will be returned unopened

Provided, however, that the Authority may, in its discretion, allow the Bidder to rectify any infirmities or omissions if the same do not constitute a material modification of the Bid.

SELECTION OF BIDDER

Evaluation of bids by a Committee:

1. The committee appointed by the Authority will evaluate the Bids submitted by the Bidders under this RFP. If warranted, the Authority may engage the services of external consultants for evaluation of the Bid.
2. The committee may visit the actual sites already commissioned by the Bidders and suitable arrangements have to be made by the Bidders for the visits. The travelling and other incidental expenses for such visits of the committee will be borne by the Authority.
3. The participating firms/ companies may be inspected for assessing the operation capabilities, working personnel, etc., including present working Public Toilets commissioned by the bidder.
4. The committee reserves the right to call for a presentation on the features and functionalities from the Bidders based on the technical bids submitted to make an evaluation.
5. The decision of the committee in this regard shall be final and in this regard, no correspondence shall be entertained.
6. The committee will prepare a list of technically qualified bidders and the names of shortlisted Bidders would be announced on MCK's website / notice board. Only the financial Bids of those who are shortlisted in the technical bid shall be reckoned for evaluation.

The Financial Bids of all the Bidders who's Bids are adjudged as responsive in terms of Clause 3.2.1 and thereafter shortlisted in the evaluation of Technical Bids by the committee shall be opened to determine the Lowest Bidder. The Bidder who quotes the Minimum Concession Period for each of the Packages shall ordinarily be declared as the selected Bidder (the "Selected Bidder") for the respective Packages. In the event that the Authority rejects or annuls all the Bids, it may, in its discretion, invite all eligible Bidders to submit fresh Bids hereunder.

In the event that two or more Bidders quote the same Concession Period (the "Tie Bidders"), the Authority shall identify the Selected Bidder by draw of lots/toss of coin, which shall be conducted, with prior notice, in the presence of the Tie Bidders who choose to attend.

In the event that the Lowest Bidder withdraws or is not selected for any reason in the first instance (the “first round of bidding”), the Authority may invite all the remaining Bidders to revalidate or extend their respective Bid Security, as necessary, and match the Bid of the aforesaid Lowest Bidder (the “second round of bidding”). If in the second round of bidding, only one Bidder matches the Lowest Bidder, it shall be the Selected Bidder. If two or more Bidders match the said Lowest Bidder in the second round of bidding, then the Bidder whose Bid was lower as compared to other Bidder(s) in the first round of bidding shall be the Selected Bidder. For example, if the third and fifth lowest Bidders in the first round of bidding offer to match the said Lowest Bidder in the second round of bidding, the said third lowest Bidder shall be the Selected Bidder.

In the event that no Bidder offers to match the Lowest Bidder in the second round of bidding as specified in Clause 3.3.3, the Authority may, in its discretion, invite fresh Bids (the “third round of bidding”) from all Bidders except the Lowest Bidder of the first round of bidding, or annul the Bidding Process, as the case may be. In case the Bidders are invited in the third round of bidding to revalidate or extend their Bid Security, as necessary, and offer fresh Bids, they shall be eligible for submission of fresh Bids provided, however, that in such third round of bidding only such Bids shall be eligible for consideration which are lower than the Bid of the second lowest Bidder in the first round of bidding.

After selection, a Letter of Award (the “LOA”) shall be issued, in duplicate, by the Authority to the Selected Bidder and the Selected Bidder shall, within 7 (seven) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgement thereof. In the event the duplicate copy of the LOA duly signed by the Selected Bidder is not received by the stipulated date, the Authority may, unless it consents to extension of time for submission thereof, appropriate the Bid Security of such Bidder as Damages on account of failure of the Selected Bidder to acknowledge the LOA, and the next eligible Bidder may be considered.

After acknowledgement of the LOA as aforesaid by the Selected Bidder, it shall cause the Concessionaire to execute the Concession Agreement within the period prescribed in Clause 1.3. The Agreement shall be executed in two copies in English language, each party receiving one original copy. The Selected Bidder shall not be entitled to seek any deviation, modification or amendment in the Concession Agreement. The construction of the PTU shall be completed within 60 days after the execution of the agreement/ handover of the site.

If the Selected Bidder delays in submission of required documents, as detailed in this RFP and in writing seeks extension of time for submission of the required documents; the decision on the same shall be taken asunder:

- I. The MCK shall have the right to take the decision if the extension sought is not more than 15(fifteen) days; and

- II. If the extension sought is more than 15(fifteen) days but not exceeding 60(sixty) days, the Executive Committee of MCK shall have the right to take the decision.

On signing of the Concession Agreement, the Concessionaire shall intimate the name of the principal officer who will be acting for and on behalf of the Concessionaire in all its relations and communications with the Authority. If there is any change in the principal officer, Concessionaire shall intimate such change to the Authority immediately.

Contacts during Bid Evaluation

Bids shall be deemed to be under consideration immediately after they are opened and until such time the Authority makes official intimation of award/ rejection to the Bidders. While the Bids are under consideration, Bidders and/ or their representatives or other interested parties are advised to refrain, save and except as required under the Bidding Documents, from contacting by any means, the Authority and/ or their employees/ representatives on matters related to the Bids under consideration.

Bid Parameter

The Bid shall comprise a Minimum Concession Period to be quoted by the Bidder. The Bidder who offers the lowest Concession Period shall ordinarily be the Selected Bidder. The evaluation procedure shall be carried out in the sequence mentioned in Schedule-I.

In case of one Bidder is a Selected Bidder in more than one Package, then the Authority reserves the right to restrict the award of such Packages to such Bidder and award the balance to the next Bidder in the manner as detailed hereunder:

- a. In such circumstances, the other Selected Bidder has to match the Financial offer of the L1 Bidder;
- b. First offer of matching the L1 Bidder will be given to L2 Bidder and in case L2 Bidder does not match the Financial offer of L1 Bidder; then the offer will be made on L3 Bidder and so on;
- c. The Authority reserves the right to award the Packages to other Bidders irrespective of the fact that the other Bidders are willing to match their Financial offer with L1 Bidder or not; and
- d. At the discretion of the Authority, minor deviations in the number of allotments will be accounted for at a later date to ensure equitable distribution.

The maximum number of packages awarded to a successful bidder will be limited to two (02) No's.

4 FRAUD AND CORRUPT PRACTICES

The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process and subsequent to the issue of the LOA and during the subsistence of the Concession Agreement. Notwithstanding anything to the contrary contained herein, or in the LOA or the Concession Agreement, the Authority may reject a Bid, withdraw the LOA, or terminate the Concession Agreement, as the case may be, without being liable in any manner whatsoever to the Bidder or Concessionaire, as the case may be, if it determines that the Bidder or Concessionaire, as the case may be, has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process. In such an event, the Authority shall be entitled to forfeit and appropriate the Bid Security or Performance Security, as the case may be, as Damages, without prejudice to any other right or remedy that may be available to the Authority under the Bidding Documents and/ or the Concession Agreement, or otherwise.
