1 Introduction

1.1 Karimnagar City

Karimnagar city is a Municipal Corporation and district headquarters of Karimnagar district. Karimnagar has been included in the Centre's Smart Cities Mission program along with 30 other cities which were shortlisted under Round 3 of Smart City challenge. As part of the challenge, Karimnagar has set its vision, "To develop Karimnagar into a major commercial, and tourism hub in northern Telangana facilitated through a digital transformation of City life, and to create an Inclusive, Skilled and Gender-sensitive society."

1.2 Karimnagar Smart City and its themes

The five themes as building blocks, Karimnagar SCP proposed various developmental projects for the city under two categories i.e. Area Based Development (ABD) and PAN City Development covering a wide range of sectors namely Urban Transportation, Riverfront development, Slum Rehabilitation, Affordable Housing, Water Supply, Sanitation, Sewerage, Solid Waste Management, ITMS, Solid Waste Management system, Smart Governance, Digital and Smart Schools, Energy Infrastructure, etc.

1.3 Karimnagar Smart City Corporation Limited

Karimnagar Smart City Corporation Limited (KSCCL) is formed as a Special Purpose Vehicle (SPV) to execute Smart City projects in Karimnagar Smart City. Under the Smart City mission, the SPV is tasked at implementing projects falling under ABD and Pan-City components of Smart City Mission (SCM).

Karimnagar Smart City Corporation Limited (KSCCL) has appointed M/s Aarvee Associates Architects Engineers & Consultants Private Limited in consortium with M/s PricewaterhouseCoopers (PwC) Private Limited as Project Management Consultant (PMC) to Design, Develop, Manage & Implement Smart City Projects in Karimnagar, Telangana.

1.4 Authority issuing Invitation for EOI

The Karimnagar Smart City Corporation Limited (the Authority) wishes an implementation from the interested parties for the ICT intervention in Solid Waste Management System Project setup and operations at Karimnagar city. The project is expected to have RFID tags, Weigh bridge solutions, Fuel sensor and GPS tracking system solution across the KSCCL suggested locations and vehicles. The supporting IT infrastructure for compute, storage, networking components, application to be hosted on a secured public cloud network and Workstations, UPS, furniture, etc. in the Viewing center

This EOI intends to discover pricing of the ICT interventions in Solid Waste Management project and the prospective System Integrators for implementation of Solid Waste Management Project with respect to the technical specifications and Bill of material shared with this document. The Authority reserves the right to reject any or all the EOIs received without assigning any reason.

Point of contact for any queries related to the EOI:

Sri. Krishna Rao, Superintending Engineer

Telephone/Mobile:+919849906691

Sri. Rohit Roshan, PMC

Telephone/Mobile:+919910039701

Mail: mdksccl@gmail.com

Failure to furnish the complete information requested for submission of the proposal not responsive to the EOI in all respects may lead to rejection of the EOI proposal of the respondent.

2 Scope

The Entities/Organisations whosoever wish to participate in the implementation process for the Solid Waste Management System EOI is expected to understand the requirement and quote based on the Bill of material shared.

2.1 Likely Activities to be undertaken during the actual project implementation (not in EOI)

a) Supply, Installation, Testing and commissioning of Field equipment and viewing center equipment as defined in RFP

b) Establishment of network for connectivity of field components to viewing center and cloud environment

c) UAT (User Acceptance Test)

d) Go-live

e) Operations and Maintenance (O&M) period to be for 1+2 years with warranty period to start after Go-live

3 The Expression of Interest

This is an invitation for Expression of Interest and not an RFP document. Invitation for an EOI should not be construed as an offer and does not carry any commitment from the Authority to engage a private partner who submits a proposal or any other commitment related thereto. The Authorities reserves the right to withdraw this EOI and change or vary any part thereof at any stage of the process.

3.1 Objective of the EOI

The objective of this EOI is to discover pricing of Solid Waste Management System Project with respect to the technical specifications and Bill of material shared with this document. EOI intends to get an estimated value of the project which is to be implemented with 1 year of warranty and 2 years of Operation and Maintenance period, the warranty period to start after end of implementation period

Based on the responses to this invite for EOI, the Authorities may float an RFP in future

3.2 Response Requirements

a) The EOI shall be in accordance with the requirements specified herein and, in the format, prescribed in this document.

b) Quotations/Proposals must be direct, concise, and complete. Respondent is expected to provide only the relevant information in the EOI.

c) The EOI shall be submitted as follows:

- Electronic/Online Submission: The scanned copy of the original proposal shall only be by a soft copy and to be shared to mdksccl@gmail.com with all the contents of the EOI.
- Only electronic submission shall prevail and will be considered.
- The Authority will not accept delivery of proposal in any manner other

than that specified in this EOI. Proposals delivered in any other manner shall be treated as invalid and rejected.

3.3 Keynote of EOI

1. Incomplete EOI will be rejected.
2. The Authority reserves the right to extend the EOI submission date for which the EOI is invited.
3. The Authority reserves the right to verify the furnished details & documents by the respondents independently and also reserves the right to reject any proposal without assigning any reason thereof in the interests of effective implementation of the project.
4. All responses/proposals to be shared on mdksccl@gmail.com

3.4 Checklist for Submission

Respondents should ensure that the following documents are submitted as requested and/or as per annexures in their proposals: -

1. Shared Bill Of Material (BOM) with financial estimate.

3.5 Right to Terminate the Process

Authority may terminate the EoI process at any time and without assigning any reason. Authority makes no commitments, express or implied, that this process will result in a business transaction with anyone. This EoI does not constitute an offer by Authority.

3.6 Preference for Make in India

All the Bidders to note that Govt. of India had taken out Preference for Make in India **(PMI)** policy in 2015 and subsequently respective nodal ministries have taken out GOs detailing out the PMI and local content (LC).

Bidders are encouraged to go through the GOs issued by DoT and MeiTY. Few of these are as follows, but not limited to:

- No. P-45021/2/2017-PP (BE-II) dated 16th September 2020
- No. P-45021/2/2017-PP (BE-II) dated 4th June 2020
- No. P-45021/2/2017-PP (BE-II) dated 29th May 2019
- No. P-45021/2/2017-PP (BE-II) dated 15th June 2017
- No. 18-10/2017-IP dated 29th August 2018

The Bidders shall provide the following details and produce the certificate by the Statutory Auditor to comply with PMI guidelines to promote domestic manufacturing under Make in India:

a. Product Name
b. Line Item No.
c. PMI Reference percentage with reference to GO No.
d. Local Content (LC)
e. Location (Manufacturing / Office Address) Details

Please refer to the clause 9(a) of GO with Ref. No. P-45021/2/2017-PP (BE-II) dated 4th June 2020, for the product you are supplying, you would be required to provide self-certificate that the item offered meets the local content criteria for class -1 local supplier / class – 2 local supplier, as the case may be.
Please refer to the clause 9(b) of GO with Ref. No. P-45021/2/2017-PP (BE-II) dated 4th June 2020, for the product you are supplying, if the procurement for a value in excess of 10 crore, you would be required to provide a certificate from Statutory Auditor or cost auditor of the company of from a practicing cost accountant or practicing chartered accountant (in respect of supplier other than companies) giving the percentage of local content. Quotes of any China-based products will be rejected
