1 Introduction

1.1 KARIMNAGAR

Karimnagar city is a Municipal Corporation and district headquarters of Karimnagar district. Karimnagar has been included in the Centre’s Smart Cities Mission program along with 30 other cities which were shortlisted under Round 3 of Smart City challenge. As part of the challenge, Karimnagar has set its vision, “To develop Karimnagar into a major **commercial, and tourism hub in northern Telangana** facilitated through a digital transformation of City life, and to create an Inclusive, Skilled and Gender-sensitive society."

1.2 Karimnagar Smart City and its themes

The five themes as building blocks, Karimnagar SCP proposed various developmental projects for the city under two categories i.e. Area Based Development (ABD) and PAN City Development covering a wide range of sectors namely Urban Transportation, Riverfront development, Slum Rehabilitation, Affordable Housing, Water Supply, Sanitation, Sewerage, Solid Waste Management, Smart Governance, Digital, and Energy Infrastructure, etc. The central area (2390 acres) of the city has been chosen for the ABD proposal to transform it into a thriving business community.

1.3 Karimnagar Smart City Corporation Limited

Karimnagar Smart City Corporation Limited (KSCCL) is formed as a Special Purpose Vehicle (SPV) to execute Smart City projects in Karimnagar Smart City. Under the Smart City mission, the SPV is tasked at implementing projects falling under ABD and Pan-City components of Smart City Mission (SCM).

Karimnagar Smart City Corporation Limited (KSCCL) has appointed M/s Aarvee Associates Architects Engineers & Consultants Private Limited in consortium with M/s PricewaterhouseCoopers (PwC) Private Limited as Project Management Consultant (PMC) to Design, Develop, Manage & Implement Smart City Projects in Karimnagar, Telangana.

1.4 Authority issuing Invitation for Industrial Consultation

The Karimnagar Smart City Corporation Limited (the Authority) wishes to remove the existing Legacy Waste from the dumpsite, reclaim and utilize the land for recreation purpose. **Innovative & State of the Art proposals will be encouraged.**

This Industrial Consultation intends to provide basic background and details with

respect to scope of services that are deemed to be provided by the Private Partner / Respondents. The respondent agencies are expected to present the similar projects experience, methodology, safe disposal of extracted materials etc.

Point of contact for any related queries:
Sri. P. Krishna Rao, Superintending Engineer
Telephone / Mobile: +91-98499 06691
Mail: mdksccl@gmail.com

2 Scope

The interested respondent / private partner is expected to demonstrate the process of removal of existing Legacy Waste through Biomining and reclaiming the complete land of dumpsite. The reclaimed land will be used for the purposes other than dump yard.

Salient details of the said dumpsite are as below:

a) Size of land: 9 acres
b) Estimated amount of legacy waste: 2,00,000 MT
c) Current remediation efforts: NIL
d) Location $18^0$23’46.30”N, $79^0$08’37.07”E

Respondents are free to propose and include approved technology that is strictly in compliance with CPCB Guidelines, SWM Rules 2016, CPHEEO, its advisories, addenda and SBM Guidelines. However, such proposals should not be repugnant to the general standards of morality.

3 The Industry Consultation

This is an invitation for Industry Consultation and not an RFP document. Invitation for an Industry Consultation should not be construed as an offer and does not carry any commitment from the Authority to engage a private partner who submits a proposal, or any other commitment related thereto. The Authority reserves the right to withdraw this Industry Consultation and change or vary any part thereof at any stage without assigning any reason whatsoever.

3.1 Objective of the Industry Consultation

The objective of this Industry Consultation is to identify the prospective agencies capable of taking up the processing of existing Legacy Waste through Biomining and reclaiming the dumpsite. Based on the responses to this invite for Industry Consultation, the Authority may subsequently float an open RFP.

3.2 Eligibility

a) The invitation is open to all entities that are companies or agencies that are registered under Companies Act, 1956 or 2013 or its equivalent or under Limited Liability Partnership Act, 2008 or its equivalent.
b) The respondent should be operational continuously for the last 5 (Five) years as on the date of submission.
c) The respondents may be an independent single entity or a joint venture or a consortium / association of entities;
d) In the case of a joint venture / consortium the name of the entity that is the “Lead Partner / Lead Member” should be clearly stated.
e) The number of entities in a joint venture / consortium / association is limited to 3 (Three).
f) The respondent (single independent entity or any partner/member of a joint venture / association / consortium) should not have been blacklisted / debarred by any donor agency / State Government / Central Government or autonomous bodies or universities / institutions or its agencies in India or abroad.

3.3 General Conditions

a) This invitation for Industry Consultation is not an offer and does not carry any commitment to engage a private partner who submits the same or any other commitment related thereto.
b) The Authority reserves the right to withdraw this invitation for Industry Consultation and change or vary any part thereof at any stage if the Authority feels that such action is in the best interest of the Project. Decision of the MD KSCCL is final and binding in this regard.
c) Timing and sequence of events resulting from this Industry Consultation shall ultimately be determined by the Authority.

d) Each interested single independent entity, any partner in case of a joint venture or any member in case of an association/consortium shall submit only one reponse.
e) For all the responses received before the last date and time prescribed for submission, the proposals and accompanying documentation will become the property of Authority and will not be returned after opening of the proposals. Authority shall not be bound by any language in the proposal indicating the confidentiality of the proposal or any other restriction on its use or disclosure. Authority is not restricted in its rights to use or disclose any or all of the information contained in the proposal and can do so without compensation to the respondents who have submitted their responses.
f) The respondent shall ensure that the proposal is complete in all respects and conforms to all requirements indicated in this invite document.
g) By submitting an proposal / response, each respondent who shall be deemed to acknowledge that it has carefully read all sections of this invite for Industry Consultation, including all terms & conditions, and annexure/s hereto, obtained all relevant information about the Project and has fully informed itself about all existing conditions and limitations. The Authority shall not be liable for any error on the part of the respondent in respect of the above.
h) The respondents shall be responsible for all of the costs associated with the preparation of the proposal and their participation in this Industry Consultation / Workshop process. The Authority will not be responsible nor in any way liable for such costs, regardless of the conduct or outcome of the process.
i) The respondents shall visit and examine the existing the dumpsite location and obtain for themselves, at their own responsibility, all the information and data that may be necessary for submission of the proposal. The Authority shall not stand guarantee for and shall not be held responsible for the veracity of the data/information which have been made available in this document.
j) The costs of visiting the location and undertaking any further studies and investigations shall be at the respondent’s own expense. The respondent and any of his personnel or agents can visit the location of existing dumpsite.
k) The proposal and all correspondence and documents shall be written in English language.

3.4 Response Requirements

a) The Industry Consultation / Workshop shall be in accordance with the requirements specified herein and, in the format, prescribed in this document.
b) Proposals must be direct, concise, and complete. Respondent is expected to provide only the relevant information. Responsiveness to this Industry Consultation is encouraged.
c) The responses shall be submitted as follows:
   - Electronic / Online Submission: The scanned copy of the original proposal shall be sent to the email id mdksccl@gmail.com,

- The proposal should be appropriately referenced.
- The Authority will not accept delivery of proposal in any manner other than that specified in this invite.

3.5 Submission of Response

Interested entities may furnish their responses with all the necessary documents in a sealed envelope super-scribed **"Industry Consultation / Workshop for the proposed "Remediation and Reclamation of Existing Dumpsite" in Karimnagar"** along with a **Letter of Submission** duly signed by an authorized signatory on or before **31st May 2021** to the following address as hard copy submission and obtain acknowledgement of submission for the same:

Managing Director & Chief Executive Officer
Karimnagar Smart City Corporation Limited
C/O KARIMNAGAR Municipal Corporation,
Opp: TSRTC Bus-stand KARIMNAGAR 505001,
Telangana India.
E-mail: mdksccl@gmail.com
Mobile: +91-9849906691

Note:

1. The Authority reserves the right to extend the submission date.
2. The Authority reserves the right to verify the furnished details & documents by the respondents independently and at any point of time during or after RFP or even during the work execution and also reserves the right to reject any proposal without assigning any reason thereof in the interests of effective implementation of the project.
3. The detailed qualification criteria shall be provided in the RFQ-cum-RFP to be issued at a later date.

3.6 Checklist for Submission

Respondents should ensure that the following documents are submitted as requested and/or as per annexures in their proposals: -

1. Letter of submission (Annexure – I)
2. Completed general information about each entity / partner / member (Annexure – II)
3. a. List of similar projects undertaken in the past (including completed and ongoing projects, in India and abroad) with details and documents (Annexure

– III)

4. Company Registration certificate and in case of partnership company, partnership deed with power of attorney. In case of non-Indian entity, equivalent documents must be furnished
